CALL FOR PAPERS

The Advanced Signal Processing Research Group, Faculty of Electrical Engineering, UiTM and UiTM IEEE SB, are pleased to announce *The 5th International Colloquium on Signal Processing and its Applications (CSPA 2009)* which will be held in Kuala Lumpur, Malaysia on 6-8 March 2009. The colloquium will provide an excellent platform for knowledge exchange between researchers, scientists, academicians and engineers working in the areas of automation, process, scientific research and analysis. This event calls for local and international participations.

Authors are invited to submit original, unpublished papers on all aspects of signal processing including but not limited to the following technical areas:

- *Sensors and sensing techniques*
- *Artificial intelligent and optimization systems*
- *Analytical/production techniques*
- *Signal processing techniques*
- *Industrial electronics*
- *Automation, robotics and control systems*
- *Image processing and transformations*
- *Bioinformatics*
- *Geomatic engineering: "SEALANDAIR" digital imagery applications*
- *Other related areas*

SUBMISSION OF ABSTRACTS

Prospective authors are invited to submit an abstract (not more than 500 words) or full paper (up to 6 double column of A4 or Letter size – single space font size 10 point minimum), in English, through online form submission at www.asprg.net/cspa2009 by 15 December 2008. Submission of full paper is highly encouraged. All papers will be peer-reviewed by at least two independent reviewers and the authors will be notified about the acceptance via email.

All accepted papers will be published in the colloquium proceedings. Selected full papers/manuscripts will be published as chapter(s) or full paper in refereed publications.

All enquiries should be directed to:
