CALL FOR PARTICIPATIONS

The Advanced Signal Processing Research Group, Faculty of Electrical Engineering, UiTM and IEEE-CSS Malaysia Chapter are pleased to announce *2010 6th International Colloquium on Signal Processing & Its Applications (CSPA 2010)* which will be held in Malacca, Malaysia on 21-23 May 2010. The colloquium will provide an excellent platform for knowledge exchange between researchers, scientists, academicians and engineers working in the areas of automation, process, scientific research and analysis. This event calls for local and international participations.

WHO SHOULD ATTEND?

This event is aimed at engineers, scientists, researchers, academicians and postgraduate students who are interested in the following areas:

- *Sensors and sensing techniques*
- *Artificial intelligent and optimization systems*
- *Analytical/production techniques*
- *Signal processing techniques*
- *Industrial electronics*
- *Automation, robotics and control systems*
- *Image processing and transformations*
- *Bioinformatics*
- *Geomatic engineering: "SEALANDAIR" digital imagery applications*
- *Other related areas*
